Empowering Jewish Teens to embrace Jewish culture.

Educating future Jewish community leaders.

Since 1949, Los Angeles Hebrew High School continues to serve the educational needs of the entire Jewish community of greater Los Angeles. Our program is built upon a core of Hebrew language acquisition and an exciting array of Judaic Studies courses, engaging electives and a series of Shabbaton retreats. Our teens are engaged in meaningful dialogue about Israel and American Jewry and graduate as confident leaders.

The Ruth Ziegler Endowment Fund

Originally earmarked as a bequest to LAHHS, Ruth Ziegler presented a generous endowment to us last year. With this substantial donation, LAHHS is expanding its range of curriculum courses and programs. These include new Judaic and Hebrew academic electives that enhance our curriculum and afford the students choices to select courses based on their interest as well as holiday programs. The funds are also helping us to enlarge the scope of our recruiting and marketing efforts.

Lainer Online Hebrew Limmud Program

Thanks to the generous support of the Ellie and Mark Lainer Family Foundation, this newest addition to the LA Hebrew High School's learning model is our fastest growing program. Our Lainer Hebrew Limmud Online program makes LAHHS more accessible to Jewish teens. It enables creative options that reduce the scheduling pressures faced by high school students today.

The Stanley Black Holocaust Resistance Course

This course of study teaches about the Holocaust through descriptions of acts of heroism and personal sacrifice taken by Jews and Righteous Gentiles against the Nazis. Examples include those of physical resistance and cultural forms of expression (music, poetry, etc.). A central feature of the course will also emphasize combating anti-Semitism and prejudice in society in general.

Alumni Outreach – Onward and Upward!

This year, we are very proud to have launched our strongest and most successful alumni outreach campaign in many years. Through social media and the dedication of our Board members, we reconnected with alumni from all over LA, the United States, and even Israel to share up-to-date school news and events. In January, we celebrated with an Alumni Reunion hosting over 150 attendees (take a look at the album on our Facebook page, www.facebook.com/LAHebrewHighSchool). This is only the beginning! We look forward to many more alumni events updates.

Rudavsky Scholarship Fund
